Kajal Dafada

Ahmedabad, Gujarat | 9328629076
dafadakajal2018@gmail.com

Summary

Highly motivated Frontend Developer seeking challenging opportunities in web development. Proficient in HTML, CSS, and JavaScript, with expertise in ReactJS and React Native.Committed to delivering high-quality solutions and eager to contribute to innovative projects.

Experience

Dizayn.io | Gujarat, Ahmedabad
Frontend Developer | 01/2023 - Present

- Implemented end-to-end search functionality using vanilla JavaScript, and TypeScript/ReactJS for the front end in a complex task management workspace encompassing diverse dashboards, spaces, documentation, and elements.
- Developed an online meetings module with customizable invite options including duration, access, timezone, availability, rescheduling, and seamless Google Calendar integration.
- Development of 10+ client projects, implementing frontend animations, Spotify-like music player with login flow, offline streaming, and marketing web app for lead tracking, utilizing GSAP and Spring for animated website creation.
- Collaborated with teams, mentored interns, defined learning paths, and led feature development while also managing features as a lead.

Techmihirnaik
Frontend Developer Intern | 03/2022 - 06/2022

- Developed frontend solutions using HTML, CSS, JavaScript, and ReactJS.
- Contributed to a group project creating a food delivery website similar to Swiggy and Zomato.
- Specifically worked on the Foodica website.
